Unique in St Barths

Stylish private villas and sensational cuisine at the heart of Eden Rock

Discreet beachside seclusion for families and friends

Uber chic, ultra-modern and utterly private with gated access directly onto the beach; our Villa Rockstar and Villa Nina are self contained enclaves within Eden Rock, where your butler is the essence of inconspicuous professional service.

Sensational zesty cuisine by Chef Jean-Georges Vongerichten

Jean-Georges once dipped his toes in the water and was seduced by Eden Rock, opening the two freshest dining concepts on the island and planting roots firmly in the sand. 'On the Rocks' and 'The Sand Bar' are the only restaurants on the island to present the distinctively exotic and aromatic

cuisine of Chef Jean-Georges. Fresh tastes are drenched in Caribbean sun with a spirited infusion of island charm.
